Warning: Wind Advisory

On windy days, extreme caution is advised when operating doors. Strong gusts of wind may cause doors to swing open or shut rapidly, posing a risk of injury. To minimize the risk of injury, it is recommended to hold onto the door firmly when opening or closing it, especially during windy conditions. Failure to exercise caution may result in bodily harm or property damage. By using doors on windy days, individuals assume all risks associated with such usage and waive any liability against Advanced Mobile Storage Tucson, Inc.

Advertencia: Aviso de viento

Al usar puertas en días ventosos, las personas asumen todos los riesgos asociados con dicho uso y renuncian a cualquier responsabilidad contra Advanced Mobile Storage Tucson, Inc.
