

RULES AND BEST PRACTICES

- When entering and exiting the facility, do not follow anyone in or out of the gate, and do not allow anyone to follow you in. All tenants must input their code to enter and exit the facility. This is for everyone's security.
- Storage is not permitted directly on the ground outside of your unit. All property must be stored inside your storage unit.
- Do not leave trash anywhere within the facility.
- Do not give out your Gate Code to anyone who is not a listed contact on your account.
- Do not leave your vehicle, trailer, or anything you entered with unattended at any time.
- AMS is not responsible for any damages or theft while the tenant is on AMS facilities.

PROCEDURES

- To enter the facility at the gate, press *, then your seven-digit code, then # the gate will open.
- When accessing your storage unit, always open the right door first with one lever. Unlatch the lever and open it with the handle toward you or away from the box; the door will open. Pull the handle/lever all the way open. Once the right side is open, follow the same procedure for the left side door, this one typically will have two leavers, and you will need to use both hands simultaneously.
